STATUS AT THE END OF 4TH QUARTER RECOVERY

By the end of **4th quarter** upto June **2026**, ET&NC Department successfully collected **Rs. 77.222 billion** in revenue against target of **Rs. 75.353 billion** for financial year **2025-2026**, achieving **98%** of annual target set by the government. This performance reflects the department continued efforts towards efficient tax collection and fiscal responsibility.

TARGET & RECOVERY COMPARISON UPTO JUNE 2026

DISTRIBUTION OF E-BIKES

The Department's tax collection model is entirely field based, where physical presence of field staff is essential for assessment, enforcement, and recovery. Therefore, 200 e-bikes have been distributed among Excise & Taxation Inspectors, under hire-purchase scheme, with monthly installment over 60 months. These e-Bikes have been preferred due to their environmental benefits, fuel efficiency, and suitability for both male & female personnel.

ROAD CHECKING

The field staff, posted in Motor Branch, are utilised in general hold-ups to check the default vehicles for payment of token tax. During the months of May/June, extensive road checking was made for identification of default vehicles and payment of token tax to achieve the assigned targets.

RECRUITMENT OF E&T CONSTABLES

The E&T Constables are corner stone of field formations who perform various duties i.e. serving different notices, challan, at door step, assisting in assessment, enforcement, and collection of Government revenue. To cope with the deficiency, 198-E&T Constables have been recruited after due approval of the Provincial Cabinet for in larger public interest.
